

Why were you late for school?

I was late for school because Mrs Bowers the most horriblemst witch in the whole entire school told me off for not cleaning her smelly rotten finger nails. So Mrs Bowers' horrible twin came and slapped me on the head. I was rushed to casualty. Then I was on the way to school. Suddenly, Mrs Shaw appeared and shouted, "Why are you not in school". I replied "Mrs Bowers told me to clean her finger nails". Then Mrs Shaw went in and made Mrs Bowers clean her stinky rotten toe nails for revenge.
