

## **The Ghost in the Boarding School (a soap opera)**

It all started when Joe and Nicki had to leave home because they had to go to boarding school, so off they went in a bus a long long way from home. They arrived eventually. They got out of the bus and looked up because the school was so tall.

"WOW! Look how tall our new school is, it's massive," said Joe.

"Yeah, it does look massive; I'm not looking forward to this."

Before they went in a teacher opened the big doors and said, "Hello I'm Sita, your teacher, come in and I'll take you to your rooms."

Joe and Nicki followed the teacher upstairs and found their room.

"Let's get started then," said Joe

"Do you think it's a spooky place? I have a feeling that something is tapping me on the arm, Joe."

"Yeah, I keep on seeing weird shadows on the wall," said Joe.

"It must be a ghost. Whoooooo!"

"Stop it; you're making me scared, Nicki."
